Christian Values: Community, Compassion, Courage, Trust, Perseverance, Thankfulness

Dear Parents and Carers

What a busy week we've all had, getting back into the swing of our school routines!

We were able to share a bundle of green 'Community' leaves during our Worship this week with super examples of team work and kindness to those around us being shared.

Our Worship text this week encouraged us to think about diversity and clubs. We decided a club is very much like a community where people gather together with a similar focus, whether it be a sport, a shared aim, something to enjoy together or even a school! (Please click on the book cover to share an

online read aloud of the book) The story showed us that we do not need to be the same as someone else to fit in. We are all unique in the way we look, what we believe or understand, and the things we can, or can not do. That makes for

a fantastic opportunity to make lots of friends that can gather together and have fun in 'Our Club'!

Have a super weekend everyone,

Ms Munday, Acting Headteacher

This week's Big Question...
