'Living life in all its fullness' John 10:10

Dear Parents and Carers,

We are looking forward to this year's sports day on Thursday 25th June (with Friday 26th June in reserve). We will be welcoming our parents and families to join us for the day to support and encourage our children in their events and enjoy a picnic lunch together.

Our gates will open at 10.30am, where everyone will be invited to sign in before heading to the top field to find a comfortable place to set up their picnic blankets and chairs.

The children will move around their carousel of activities in the morning session. Families, staff and children will then join together for their picnic lunch on the field.

The afternoon plans will run in a slightly different way this year as children have been invited to choose the track events they would like to take part in.

We are delighted that our PTFA will be providing the children with tasty, fresh fruit snacks (kindly donated by Tesco of Hungerford) through the day. Finally, our day will come to a close with the presentation of our sports day trophy to the winning house!

We look forward to welcoming every one to join the much anticipated annual school event.

Wishing everyone a wonderful weekend,

Ms Munday Headteacher www.csfschools.org

Red Kites whole school worship...

Our week began this week with our whole school worship being led by Red Kites. The children took the opportunity to reflect of their experiences during their recent residential trip to Grittleton Adventures and share with us some of the different activities and challenges they enjoyed...

Lucy and Jess' Slide!

My favourite activity was archery! (Archery is sort of like basketball but on trip sometimes we went against three people in a row)

My favourite evening activity was soccer! at the start of summer (Lucy and Jess) because I enjoyed seeing the class like me like the kids. In the end, we finished off the summer was John (the best!)

Jax and Chase

- I enjoyed archery tag.
- We also enjoyed body zoning
- On Sports evening, we enjoyed dodge ball.
- I enjoyed the crystal maze.

Emily and Lily-Rose
Our favourite activities...

- On the residential we had (well) organised, organised and ready to go!
- We really enjoyed the day right. (Thanks) because we all shared along to some songs - and some of us were singing!

OUR RESIDENTIAL - CLASS AND SUCCESS

Rocio's and Amelia's achievements on the residential

Rocio:
I am proud of myself for accepting to be a team captain.
I learned to complete night because I had to be a team!

Amelia:
I am proud of myself for being a team captain on the residential.
I learned to complete because we got to play really well!

I think I'm a winner!

Sophie
I am proud of winning the race in mission 4 with Eleanor and Lily-Kate, at 54 seconds. My favourite activity was Escape and evasion because we were using a map to find clues to make a sentence.

KASEY AND MELBOUR RECEPTION
I'm proud of my...
I'm proud of my...
I'm proud of my...

Em
I am proud of getting balls in the crystal maze and completing challenges in mission 4. I am also proud of writing football against another team. My favourite activities were: body writing and dam building.

Cake sale...

"Red Kites would like to thank everyone who came and bought cakes at our cake sale on Thursday. It was so busy we only managed to get a "before" photo and no photos of us all in action (as we were far too busy!), but safe to say, there were lots of delicious cakes, cookies, traybakes and brownies baked and brought in and there was plenty to go round! Thanks for your generosity in purchasing and helping us to buy costumes for our play!" Mrs. Chrimes

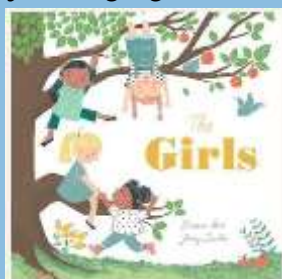

This week's recommended read...

We have another recommended read of another favourite book to share with you this week. This week's 'recommended read' is from Mrs Higgins.

***The Girls* written by Jenny Lovlie**

"I can relate to the characters in the book. I met my best friends in school. This is just like our story! This is so powerful. I know how important friendships, relationships and that sense of belonging are." Mrs Higgins.

Class worship...

How have we all been..."Living life in all its fullness" (John 10:10) this week?
With particular focus on our Christian value of 'Thankfulness' for this term...

	In Robins...	Benjamin, "I am thankful for making gingerbread men with my mummy and sister." Jesse, "I am thankful to my daddy for making me laugh."
		In Kingfishers...

		we were having so much fun!"
		Thomas, "I feel thankful that I am nearly finishing my technic Lego American Ford car. It has nearly 1000 pieces and the engine actually moves!"
	In Owls...	Harry, "I appreciate my parents and my friends in my life."
		Seb, "I am thankful for being in Owls and having Mrs Mirza teach us in Year 4."
		Holly, "I appreciate my grandparents taking care of me."
	In Red Kites...	Jaxon, "I am thankful that we got to do a cake sale."
		Eleanor, "I am thankful for Bikeability because I learned a lot!"
		Lilly-Kate, "I am thankful that I get to spend time with my friends."
		Ava-Rayne, "I am thankful that we get to perform in our play."

Picture News and the BIG question this week...

The BIG question...

How can we protect the oceans?

'How many are your works, LORD!

*In Wisdom you made them all;
the earth is full of your creatures.*

*There is the sea, vast and spacious,
teeming with creatures beyond number-
living things both large and small.*

*There the ships go to and fro,
and Leviathan, which you formed to frolic
there.'* Psalm 104: 24-26

8th June is World Oceans Day, a time when people around the world think about how to care for seas, oceans and the creatures living in them. Dutch inventor, Boyan Slat, first became worried about ocean pollution as a teenager after seeing huge amounts of plastic while diving. He created the organisation The Ocean Cleanup, which designs special systems to remove rubbish from oceans and stop more plastic entering rivers and seas.

The oceans are home to millions of creatures, from tiny plankton to giant whales. The Bible teaches that we are caretakers of the Earth meaning it's our responsibility to protect our seas, oceans and the life within them.
